## Organist/Pianist

First Lutheran Church in Tacoma seeks an organist/pianist for two weekly services, a Saturday evening chapel service at 5 p.m with piano and the 10:30 Sunday morning service in the sanctuary with organ and/or piano. The Saturday service is negotiable with a small reduction in compensation.

FLC meets in a beautiful historic building across from Wright Park. The sanctuary holds a 1931 historic Möller pipe organ and a 7-foot model B Steinway grand (1981). The traditional Sunday morning service follows various forms of the Lutheran liturgy with communion celebrated weekly. The friendly congregation appreciates traditional sacred music as well as a range of styles including classical, folk-influenced, 19th- and 20th-century hymns, and some contemporary choral arrangements.

Position available July 1, 2024
